STEERING COMMITTEE MINUTES

April 19, 2010

The Secretary and Treasurer Reports were accepted. 1000 updated meeting lists were published and distributed at the meeting. They now feature our new Hotline number and website address. DEIG is researching the possibility of selling chips and other non-AA merchandise at cost. The literature committee is selling books at a good pace and still has inventory on hand at the steering committee meeting.

The Hotline chair is asking for **HELP** to make the Hotline an efficient project. We need volunteers to make calls to people contacting the Hotline for help. Make sure that your name is on the hotline list and contact the Hotline chair (presently Diller) to **offer your hand in service!** Email: chair@downeastintergroup.org to offer a lending hand or answer questions you may have.

The by-law portion of meeting was tabled until June.

Willy K, DEIG Secretary

From District 16

We had a good district meeting, thanks to all who came. We had feedback from the assembly which was also a good weekend.

Re-Entry Program is coming along alright. There are now two meetings a week, Monday and Friday nights. District folks need to be aware of some of the rules for the inmates.

There may be a Love and Service Day in the future - keep your ears on.

Its great to see spring flowers and hear birds. Missed a big one last month, Jim C., 30 yrs - wow.
