From the editor...Bob D

Guess I shall do some rambling... We had another good DEIG meeting last night with 11 or so people present from Districts 8, 16, and 21. A lot of enthusiasm was expressed and felt by the new officers and we go about learning about our jobs and the joy of service. It takes me an hour to get to the meeting from Stonington and I have never regretted the time it takes. I always get more than I give. We have reached out again with the meeting list. I hope some of you will respond. We will reach out again with the Spring Fling. Join us. My hope is that some of you in the adjoining Districts 3 and 25 will decide to join us at next months meeting. We need your hope and enthusiasm as we try to provide services that our groups might need. It was suggested to me long ago that Gratitude without Action is Hypocrisy when I was thinking about the time I wasn't spending on service. How far was I willing to travel for a drink? 5 hours?
