An Observation...

The DEIG needs new blood, desperately, if it is to  
continue. Elections for all positions will open up in  
November and we need people in training so someone  
is not walking blind into a position with no knowledge  
of how an intergroup operates. Now is the time to  
join us in the fellowship as “we trudge the road of  
happy destiny”. It is fun... Bob D, Editor
